

# STEM Family Challenge

***TUESDAY 25 JUNE 2019 – 10.30AM TO 12.30PM (LUNCH PROVIDED)***

Parents are invited to join learners in an exciting and engaging event, designed to encourage young people to work with family members through hands-on activities, whilst raising awareness of the future careers available in STE(A)M (Science, Technology, Engineering, Arts and Maths).

## **Benefits:**

- Provides an opportunity for parental engagement
- Helps build relationships between teachers and parents
- Enhance the curriculum, and provide truly memorable learning experiences through stimulating hands-on activities
- Provide learners and families with information about STEM careers and study routes

***Please confirm attendance with Lisa Simmons 01274 307456***
