

Message to all our parents and carers:

In our continued efforts to prevent the spread of COVID-19 and its variants, now known as 'Variants Of Concern' (VOC) we are keen to be informed if any of new infections during half term.

Please contact school on via email office@oastlers.co.uk or leave a message on 01274 307456 or telephone 0797389707 informing us who is positive and confirming that a PCR test has been booked and that the individual and family are now self-isolating, as per the government guidelines.

Please stick to the general protective controls – keeping hands clean, use sanitiser, keep a safe distance and use of face coverings where appropriate.

The key message is – STAY SAFE

A handwritten signature in black ink that reads "Lyndsey Brown". The signature is written in a cursive style with a small arrow pointing to the right at the end.

Lyndsey Brown
Headteacher
