

School Nursing Special Needs Team Parent Drop In Session

Friday 10th February Oastlers School Bradford
From 11:00am to 12:30pm

A chance to meet the SEMH School Nursing Special Needs Team who can answer any questions/queries you may have about your child's healthcare needs.

A fantastic opportunity to find out what the SNSN team do within school and what we can offer to your child.

School Nursing Special Needs and Children's Learning Disability team vision

Supporting children and young people to reach their full potential
Promoting the health and wellbeing of all children
Enabling children to access education
Compassionate care with a non-judgemental approach
Inclusive and accessible, ensuring equal opportunities for all
Advocating for the young person to ensure they are heard
Listening and responding to the needs of our children, young people and their families

Together we will be innovative and committed to developing a service that meets the health needs of our children, young people and their families.
