

Statement of Year 7 literacy and numeracy catch-up premium: Oastlers School 2019-20

Summary information					
School	Oastlers School			Type of SEN (eg.PMLD/SLD/MLD etc.)	SEMH
Academic Year	2019-20	Total grant	£7,083	Date of most recent PP Review	April 2020
Number of learners allocation based on	16	Current number of learners eligible	16	Date for next internal review of this strategy	October 2020

Details of Expenditure: 2019-20		
Catapult	£322.75	Catapult is an English language resource developed specifically to support those learners who are below expected standards at the start of secondary school. It helps to build confidence by focussing on key literacy skills.
Literacy and numeracy support	£1200.00	The provision of bespoke support for individual learners provides 1:1 opportunities, identified by the school SENCO, in a quiet space proves effective for some of our less able readers who are reluctant to read aloud in class. The support improves self-confidence. The schools Literacy and Numeracy Workshop provides 1:1, paired or small group sessions to improve basic core skills enabling lower able groups to access the curriculum with confidence. This important resource has a proven track record for learner progress and overall achievement.
Transition assessment package (GL Assessment)	£608.00	This package enables the creation of a comprehensive profile of every pupil as they enter into Year 7, looking at their ability, attainment and any learning barriers they may have. By identifying learner strengths and weaknesses, specifically in maths, English and science, learning gaps can be identified and addressed.
16 additional iPads and storage	£4952.25	The use of iPads in school, for Lexia, during DEAR time, and during lessons, has proven extremely popular and a need was identified to increase the number that we have in school. These additional 16 iPads are two class sets and will be used, primarily in Key Stage 3.
Total	£7083.00	

Prior year expenditure:		
Education City licence	£612.00	Education City is a primary resource to support children who have gaps in basic English skills. It is used extensively in the school's Literacy and Numeracy Workshop. The impact of the resource is measured by assessing progress in reading, writing and numeracy skills.
Lexia	£1554.00	Lexia is a primary reading resource, used extensively in schools to support reading acquisition and comprehension. Reading is a skill that improves with practise and Lexia encourages reading enjoyment for our more reluctant readers. Children in Key Stage 3 at Oastlers enjoy Lexia daily.
Literacy and numeracy support	£4500.00	The provision of bespoke support for individual learners provides 1:1 opportunities, identified by the school SENCO, in a quiet space proves effective for some of our less able readers who are reluctant to read aloud in class. The support improves self-confidence. The schools Literacy and Numeracy Workshop provides 1:1, paired or small group sessions to improve basic core skills enabling lower able groups to access the curriculum with confidence. This important resource has a proven track record for learner progress and overall achievement.
Total	£6666.00
